

Dear Before/After Care Families,

I would like to first thank you for your patience and flexibility this past school year as we navigated through this time of covid in our world. Hopefully, the worst is behind us and things will continue to improve. Edmond Public Schools just released a Learning Plan for the upcoming school year which the B/A Care programs will also follow. (<https://edmondschools.net/wp-content/uploads/2021/06/Learning-Plan-21-22.pdf>) Most of our procedures will be going back to “normal” (pre-covid) with safety continuing to be a high priority for our programs.

After running our B/A Care programs this past year without DHS oversight, EPS has decided to continue being independent of DHS. Rest assured that our programs will still maintain the same quality and high standards that they always have. By not being connected to DHS, this allows us more flexibility especially with staffing and other areas of operation and eliminates a lot of paperwork. However, in order to continue in this mode, our programs are only allowed to be open for a maximum of 15 hours per week. Therefore, the programs’ hours had to be tweaked slightly. We will open at 7:15 am for before care students and close at 5:40 pm for after care children. The tuition schedule has been adjusted to reflect the reduction in hours of operation. The weekly tuition fee schedules are below. (Note: Not all sites have prek students in their Before/After Care programs. Check with the director at your school for this information.)

There will still be a late charge of \$1/minute for children picked up after 5:40 pm. (Teachers have been working for close to eleven hours so we want them to be able to go home as close to 5:40 pm as possible.)

Hopefully, this letter answers many of your questions. If you need to make any adjustments to your B/A Care enrollment for the next school year, please contact your site's director(s). The directors will be happy to assist you and answer any questions that you may have. We appreciate your patience and flexibility as we continue to adapt to this ever-changing situation we are currently in. Please know that your children's safety is our number one goal. Let us know if you have any other questions or concerns. Thank you for sharing your child with us!

Thank you!
