

CALLING ALL
5TH GRADERS...

Our school has some exciting things coming to our playground area, but first we need help to get it back to its best! We are calling our leading Heroes of Heritage to help make this happen.

On Sunday, November 7th we will be holding our first 5th grade service project to help beautify our playgrounds.

This project will be the first of a series of service opportunities for our 5th graders this school year.
